DESSERTS Daily Chalk Board	9
-----------------------------------	---

We like to keep it casual at Blackmarket, but we're serious about our Queensland produce.

Our menu celebrates Queensland sustainable seafood, best-in-show beef, free-range chicken and ethically-raised pork – as well as local fruit, vegetables, craft beer, cheeses... you get the picture. Our parents, grandparents and great grandparents were farmers, fishermen and Queenslanders. They are the inspiration of this menu. **We hope you like it.**
